Article Details

Empirical Micafungin Treatment and Survival Without Invasive Fungal Infection in Adults With ICU-Acquired Sepsis, Candida Colonization, and Multiple Organ Failure: The EMPERICUS Randomized Clinical Trial.

JAMA: the Journal of the American Medical Association 2016 Oct 9;

Importance: Although frequently used in treating intensive care unit (ICU) patients with sepsis, empirical antifungal therapy, initiated for suspected fungal infection, has not been shown to improve outcome.

Objective: To determine whether empirical micafungin reduces invasive fungal infection (IFI)-free survival at day

2. Settings– Content Settings

The screenshot shows a journal website interface. At the top, there is a search bar with 'papers' and 'topics' filters. Below the search bar is a navigation menu with 'Featured Papers', 'My Followed Journals', 'My Followed Collections', 'My Followed Keywords', and 'My Public Profile'. A user profile dropdown menu is open for 'L.M. cheng', showing options: 'My profile', 'My notifications', 'My subscriptions', 'Change my password', 'Link my Facebook account', and 'Sign out'. The main content area displays several article cards, including 'eThoS piles pressure on haemorrhoidopexy', 'How to raise a genius: lessons from a 45-year study of super-smart children', 'Learning v... Understand... Launches Geriatric Research', 'Mechanisms of low back pain: a guide for diagnosis and therapy', 'Atrial Fibrillation', and 'Sugar Industry and Coronary Heart Disease Research: A Historical Analysis of Internal Industry Documents'. Each article card includes the title, author, date, journal name, and a 'No abstract text is available yet for this article.' message.

3. 瀏覽期刊文章內容

The screenshot shows a journal article page for 'Stroke' by Graeme J Hankey, published in 'Lancet 2016 September 13'. The page includes social media sharing icons (Facebook, Twitter, LinkedIn, Email, Print) and a '3' icon. Below the article text, there are links for 'FULL TEXT' from ClinicalKey, PubMed, and ScienceDirect. A 'Read this article' button is also present. At the bottom, there is a 'Comments' section with a text input field and a 'Add your comment here.' label.
