

How to activate
remote access in **STATdx**
using your institutional
email address

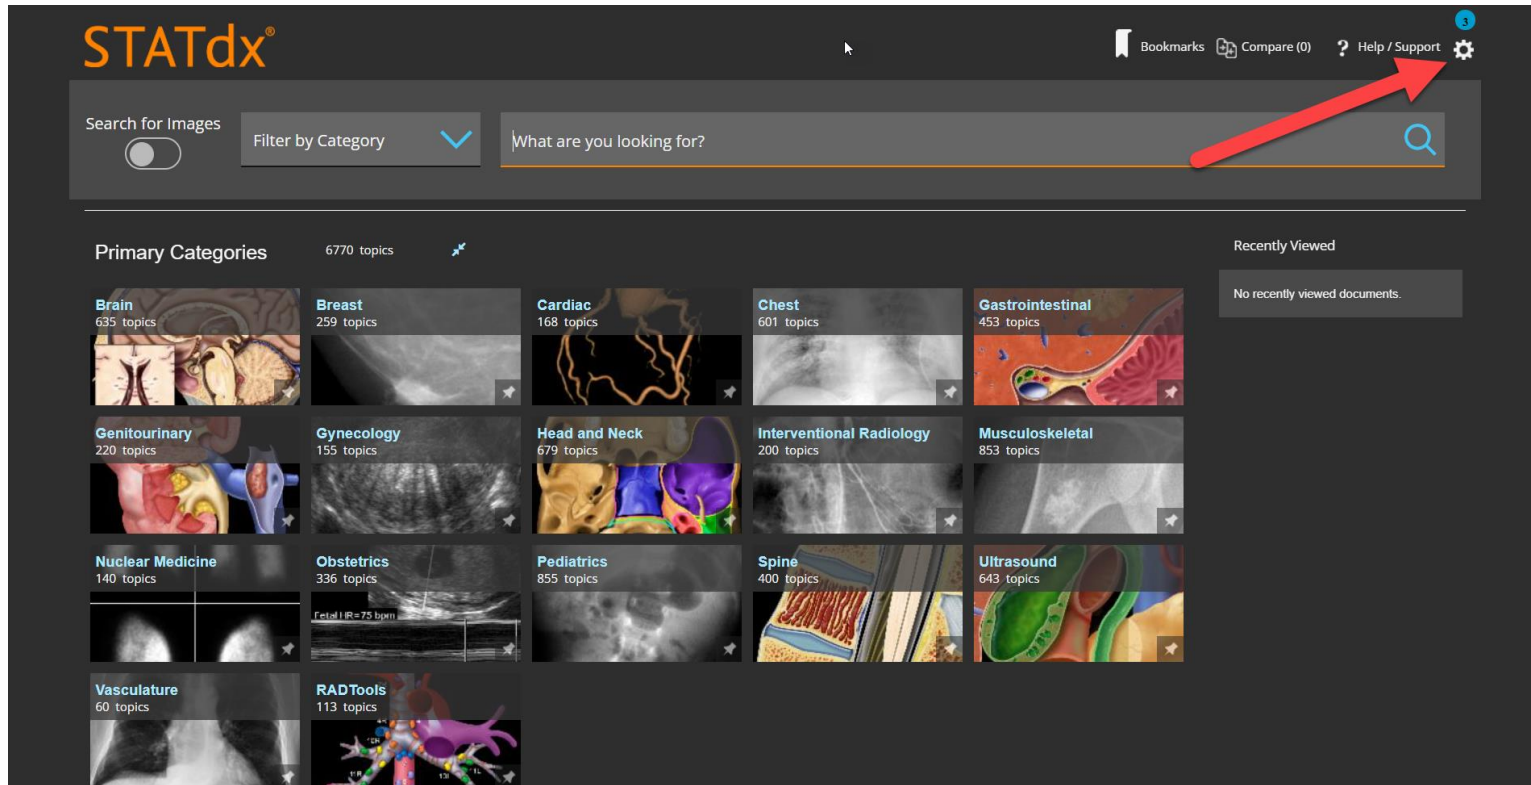

STATdx®

- Step 1- First access should be done inside your institution IP range. Once under the IP open this page: <https://app.statdx.com/>
- You should be able to see this screen:

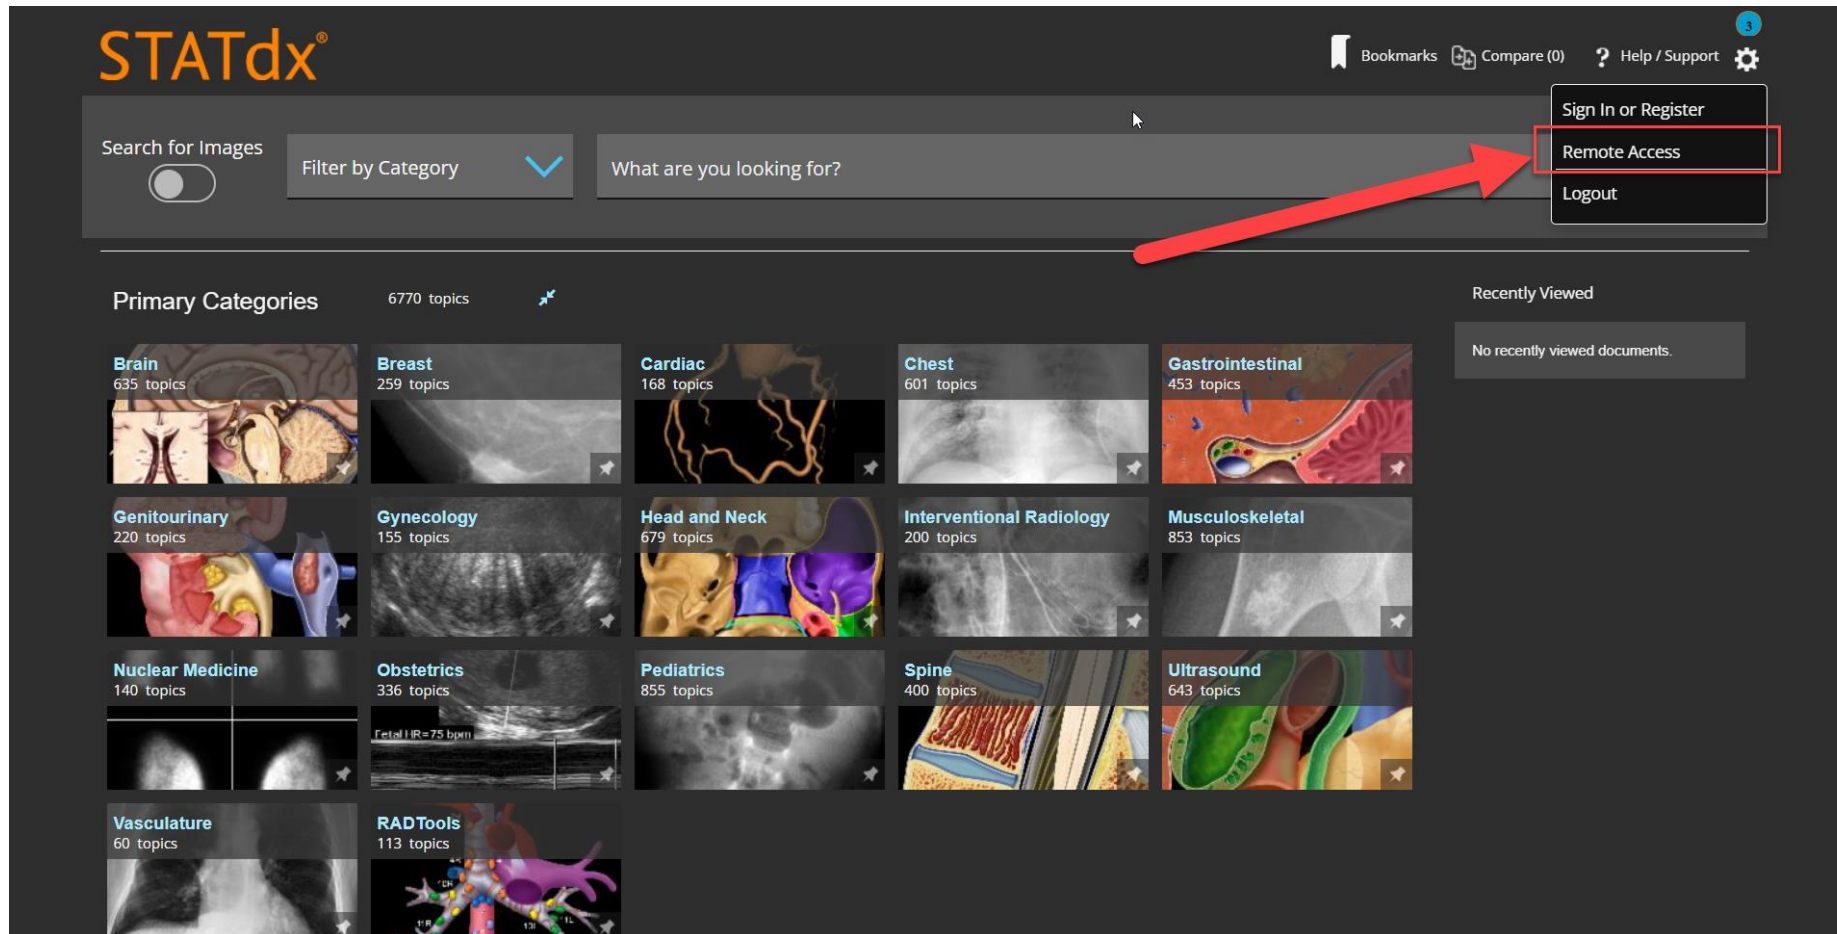

STATdx[®]

- Step 2- Once you have logged for the 1st time click on the menu icon 

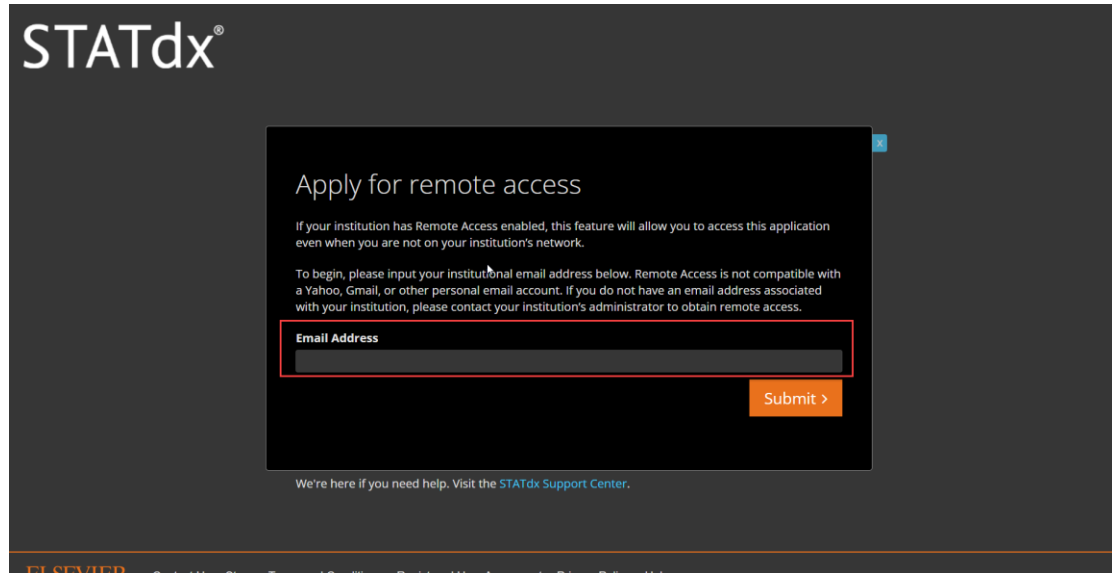

STATdx®

- Step 3- Click on Remote Access option:

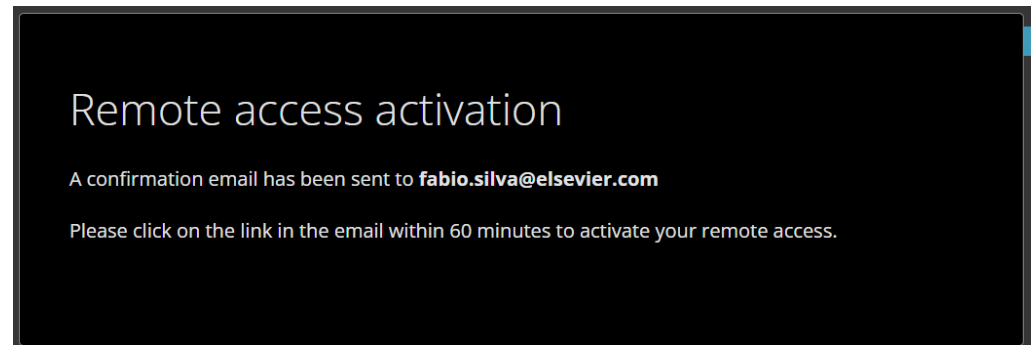

STATdx®

- Step 4 – Insert your institutional email address and click **Submit**:

The screenshot shows a dark-themed window titled 'STATdx®' with a central form titled 'Apply for remote access'. The form contains the following text: 'If your institution has Remote Access enabled, this feature will allow you to access this application even when you are not on your institution's network.' and 'To begin, please input your institutional email address below. Remote Access is not compatible with a Yahoo, Gmail, or other personal email account. If you do not have an email address associated with your institution, please contact your institution's administrator to obtain remote access.' Below this text is a text input field labeled 'Email Address' and an orange 'Submit >' button. At the bottom of the window, there is a link to the 'STATdx Support Center'.

- You will see a confirmation message that an email has been sent to your institutional email:

The screenshot shows a dark-themed window titled 'Remote access activation'. It contains the following text: 'A confirmation email has been sent to **fabio.silva@elsevier.com**' and 'Please click on the link in the email within 60 minutes to activate your remote access.'

- Step 5 – In that email, please click on [Activate your remote access](#)

- Step 6 – You will be redirected to STATdx and a confirmation screen will appear. Click on **Continue**. A **Sign In** page will appear:

A screenshot of the STATdx Sign in page. The page has a dark gray background. At the top left, the STATdx logo is displayed in white. In the center, there is a white-bordered box with a dark gray background containing the sign-in form. The form has the title "Sign in" and a subtext "Sign into your existing profile or [create a new profile](#) to complete your registration." Below this are two input fields: "Email" and "Password". The Password field has a blue eye icon to its right. Below the Password field is a link "Forgot password?". At the bottom right of the form is an orange button labeled "Sign in >". Below the form box, there is a line of text: "We're here if you need help. Visit the [STATdx Support Center](#)." At the very bottom of the page, there is a footer with the Elsevier logo and several links: "Contact Us", "Store", "Terms and Conditions", "Registered User Agreement", "Privacy Policy", and "Help".

- If you have already an Elsevier user from other platforms like *ClinicalKey* or *Complete Anatomy* associated to that email, you can directly **Sign In** with that email and password

- Step 7 – In case you don't have an Elsevier user, you can click on **create a new profile**:

A screenshot of the STATdx website's registration page. The page has a dark grey background. At the top left is the "STATdx" logo in white. In the center is a white-bordered box with a dark grey background. Inside this box, the title "Create a new profile" is at the top. Below it, the text "Enter your email address to see if you have an existing profile." is on the left, and "Or [sign in](#) to your existing profile." is on the right. Below the text is a white input field labeled "Email". At the bottom of the box are two buttons: a blue "Back" button and an orange "Continue >" button. Below the box, there is a link: "We're here if you need help. Visit the [STATdx Support Center](#)." At the bottom of the page, there is a footer with the "ELSEVIER" logo on the left, a row of links (Contact Us, Store, Terms and Conditions, Registered User Agreement, Privacy Policy, Help) in the center, and the "RELX Group" logo on the right. Copyright information is also present: "Copyright © 2021 Elsevier, Inc. All rights reserved. Cookies are used by this site. To decline or learn more, visit our Cookies page."

- A new page will appear and you have to insert your institutional email on **Create and new profile** field and click continue to finish your registration

Thank you for registering
to **STATdx**!
